

**International Conference on Conversation Analysis 2026
Program**

**June 25-29, 2026
University of Alberta**

June 25, 2026 Thursday

3:00-5:00pm Registration Open (Registration: Timms Centre for the Arts)

5:00-8:00pm Welcome Reception (Timms Centre for the Arts)

International Conference on Conversation Analysis 2026 – Program

June 26, 2026 Friday

8:30am Opening Remarks (CCIS 1-430)

9:00-10:00am Keynote Lecture by Leelo Keevallik (CCIS 1-430)

	1	2	3	4	5	6	7	8	9	10	11	12
Room	CCIS 1-440	CCIS 1-430	CCIS 1-140	CCIS 1-160	CCIS L1-140	CCIS L1-160	BSB -121	BS M-141	BS M-137	BS M-145	BS M-149	CCIS L2-190
Panel/ Theme session	PANEL: 'Mobilizing' technology: Occasions, purposes, and practices (OLOFF/KÜTTNER/REINEKE)	PANEL: Common ground: Uses and problems within the framework of CA (DEPPERMAN/HADDINGTON)	PANEL: Doing stances in L2 educational settings: From classroom practice to teacher education (WANG/ZHOU)	THEME SESSION: Response tokens (Chair: SORJONEN)	PANEL: Action formation at the grammar-body interface: continua of clause-combining (PEKAREK/MASCHLER/J. LINDSTRÖM)	PANEL: Diversity in healthcare contexts: Doing medicine in Asian societies (LIM/LUK E)	THEME SESSION: Institutional interactions (Chair: LINNEMANN)	PANEL: Interactions with infants: Multisensoriality, affect and embodiment in co-production of sociality in the early years (BATEMAN/DECLERCQ/KATILA/HOFSTETTE R)	PANEL: Providing unsolicited medical advice: Conversational-analytic findings about health promotion and disease prevention (PRETNER/VAN HENGEL)	THEME SESSION: Justice, politics and interaction I (Chair: REYNOLDS-PAUSTIAN)	PANEL: Dimensions of diversity in workplace interaction (NISSILEHTINEN/KURHILA)	PANEL: Musicality as a foundational dimension in social interaction (CHEN/ANG)
10:30 -12:30	Practices for attending to mobile devices in or around continuing states of incipient talk Stephen DIDOMENICO, Jessica ROBLES	Reminding: The normative side of common ground Arnulf DEPPERMAN	L2 student teachers' moral construction through CA-informed guided-discovery task Mika ISHINO, Olcay SERT	What clitics do in response particles: niinpä in Finnish interactions Marja-Leena SORJONEN	The body instead of grammar? Embodied completions of si 'if-clauses in French talk-in-interaction Anne-Sylvie HORLACHER, Simona PEKAREK DOEHLER	'Who's going to care for you?' vs 'Where do you want to pass on?': Negotiating practicality over desire in place of death in Singapore's end-of-	How patients use creative language to depict diverse experiences Barbara FRANK-JOB, Patricia LINNEMANN	Preverbal Infant Recruitment Help: Locally Cooperative Accomplishments Enhua GUO, Julia KATILA, Amanda BATEMAN, Asta CEKAITE	"You're entitled to a free flu jab": Vaccination topic initiators in health care consultations Maria STUBBE, Johanna HILDER	Surveillance work as a practice of doing whiteness: Everyday Citizens Policing the Mundane in Disputes Edward REYNOLDS-PAUSTIAN, Natalie FLINT,	L2 employees' evolving contributions to decision-making in workplace meetings Inkeri LEHTIMAJA, Lari KOTILAINEN, Salla KURHILA	Rhythmic entrainment as a resource for sustaining an embodied activity Beatrice Szczepek REED

						life conversation Ni-Eng LIM, Grace Yue-Chung LAI, Kwong LUKE				Jack JOYCE, Linda WALZ		
Mobilizing smartphones to display disengagement Iuliia AVGUSTIS	Rejecting other's epistemic superiority by claiming common ground Laura SCHLEICHER	(Cultural) stance and its effects on decision-making in a translation activity Grit LIEBSCHER, Cole SUTHERLAND	Response particles and change: how linguistic resources used in a specific response slot may change over time Aino KOIVISTO	Absolute apodosis in Italian talk-in-interaction: On the far end of the dependence-independence continuum Samuel LO PRESTI, Elwys DE STEFANI	Accounting for Patient Resistance to Treatment Recommendations: Understanding Patient Concerns about Treatment and Implications for Improved Medication Adherence in Chinese Hypertensive Care Nan Christine WANG, Feiran YANG, Jiayi WENG, Xiaowei ZHOU	When the doctor becomes creative. The diversity of doctors' language use and its functions Patricia LINNEMANN, Heike KNERICH	Deontic Recalibration in Parent-Initiated Sequences: Displays of Agency by Infants/Toddlers at Risk of Communication Disorders Marion LIEBERMAN, Ali Reza MAJLESI, Anna NYMAN, Christina SAMUELSSON	The landscape of accountability for refusing childhood vaccines Bogdana HUMA, Robert PRETTNER	The Organization of Police Threats in Copwatching Encounters Jenny STOCK, Elliott HOEY	Intercultural moments in cleaners' break interaction – Membership categorization at work Margarethe OLBERTZ-SIITONEN, Malgorzata LAHTI	Musicality in Motion: Embodied Rhythm and Intercorporeality in Ballet Instruction Chihiro KUSABA, Ryoko SUZUKI	

	Mobilizing mobile phones in multilingual talk in workplace interactions Azar RAOUFI MASOULE H	Voicing clients' minds through empathetic reported thought to foster common ground in psychotherapy Bianca WEISSINGER, Anja STUKENBR OCK	Teacher displays of stance toward learnables in the language classroom Elizabeth REDDINGTON, Carol Hoi Yee LO	Assessing the Body-in-Interaction: The Response Token <i>Kulehci</i> ('That's Right') as a Micro-Level Assessment Resource in Sports Lessons Sue Y. YOON, Mary Shin KIM	Concessive clauses and actions in Swedish conversations on visual art Jan LINDSTRÖ M	Recommending an alternative solution in response to a request to see a doctor: Nurse practitioners' screening of outpatients at a Japanese university hospital Shuya KUSHIDA	Translating Touch: Physiological Responses and Social Codes in Pediatric Dental Consultations Chiara DIENER	Breastfeeding as a co-constructed occasion: A focus on closings Julia KATILA, Emily HOFSTETTER, Jana DECLERCQ, Amanda BATEMAN	Balancing fear appeals and patient autonomy: Assessing children's risk for vaccine-preventable diseases Robert PRETTNER	'Clowning it': Transforming the definition of the situation using superficially aligning responses in protest interactions Sarah Chepkirui Creider, Edward REYNOLDS- PAUSTIAN, Nadja TADIC	The Local Management of Categories: The Multimodal Organization of Symmetries and Asymmetries in Café Kitchen Practices of Staff with and without Disabilities Yoshifumi MIZUKAWA	Corrective Instruction in Japanese Noh Workshop: Focusing on Prosody and Demonstration Song-Ya LEE
	Mobilizing assistance with smartphones Florence OLOFF	Dual orientation as a resource for negotiating common ground in hybrid learning situations Tuire OITTINEN, Minttu VÄNTTINEN, Sara POIKONEN	Beyond correctness: multimodal design of affiliative positive evaluations in Chinese L2 classrooms Qian SHEN, Xiaoyun WANG	On the systematic deployment of response tokens across languages Mark DINGEMANSE, Marlou RASENBERG, Andreas LIESENFELD	Figuring the body into concessives: Hebrew lamrot she-'although, even though' clauses Yuval GEVA, Yael MASCHLER	Negotiating Epistemic Rights in Child Therapy: Collaborative Knowledge Claims in Child-Therapist-Parent Interaction Ruey-Ying LIU	"How Would You Like to Pay?": Resources for Cashiers to Categorize Customers According to Their Payment Method in Service Encounters Rongyu Li, Christian GREIFFE NHAGEN, Michael KADZI, Jingjing WU	Formal structure of sequential co-construction of play activities: how access and participation are negotiated at the Kindergarten Valentina FANTASIA	Navigating Cervical Cancer Screening: Accounting for not (yet) participating Aniek ANTVELINK, Lotte VAN BURGSTE DEN, Hedwig TE MOLDER			Songs in Early Childhood Education and their Embodied Consequences Cynthia HICBAN, Joseph ISERI, Olga ANATOLI

Room	CCIS 1-440	CCIS 1-430	CCIS 1-140	CCIS 1-160	CCIS L1-140	CCIS L1-160	BSB -121	BS M-141	BS M-137	BS M-145	BS M-149	CCIS L2-190
Panel/ Theme session	PANEL: 'Mobilizing' technology (OLOFF/KÜTTNER/REI NEKE), cont.	PANEL: Common ground: Uses and problems within the framework of CA (DEPPERMAN/HADDINGTON) cont.	PANEL: Doing stances in L2 educational settings: From classroom practice to teacher education (WANG/ZHOU)	THEME SESSION: Justice, policing, politics and interaction II (Chair: REBER)	PANEL: Action formation at the grammar-body interface (PEKAREK/MASCHLER/J. LINDSTRÖM), cont.	PANEL: Diversity in healthcare contexts (LIM/LUKE), cont.	THEME SESSION: Practices from a cross-linguistic perspective (DINGEMANSE)	PANEL: Interactions with infants (BATEMAN/DECLERCQ/KATILA/HOFSTETTER), cont.	PANEL: Providing unsolicited medical advice: Conversation-analytic findings about health promotion and disease prevention (PRETNER/VAN HENGEL) cont.	PANEL: Exploring board game interactions as part of every-day life: Interactional organization and order on different scales (KORNFELD/BETZ)	PANEL: Dimensions of diversity in workplace interaction (NISSI/LEHTINEN/KURHILA), cont.	PANEL: Musicality as a foundational dimension in social interaction (CHEN/ANG), cont.
1:30 -3:30	Monitoring and instructing people with Down syndrome on the use of technologies in work-related activities Sara MERLINO, Barbara CARRERAS, Brian DUE	Camera motions and angles as grounding practices for participation in video-mediated interactions Elina NUUTINEN	"No? nothing?" emotional appeals, epistemic downgrades, and turn design in the pursuit of student responses Verónica GONZÁLEZ TEMER	"Bar-Exam Questions" in US Senate Judiciary Committee Lower Court Nomination Hearings Kristella MONTIEGEL	Co-constructed parce que/'because'-clauses in French: Multimodality and (non-)collaboration Agnes LÖFGREN	Third-Party Talk in Chinese Medical Consultations: Interactional Strategies and Cultural Logics Jianing YANG	Overlap Onset Across Languages Alianda LOPEZ, Andreas LIESENFELD, Mark DINGEMANSE	Becoming funny: how infants construct laughables with others Iris NOMIKOU	I don't know-prefaced questions: Asking potentially problematic questions about child vaccination Lieve VAN HENGEL, Bogdana HUMA, Hedwig TEMOLDER	The accountability of sanctions: Rules, power, and crumbly bread Jörg ZINKEN	Diversifying coaching process research: Combining conversation analytic and psychological perspectives to investigate the working alliance in the context of questioning practices Eva-Maria GRAF,	Musicality and Movement: The interactional achievement of rhythmic synchrony through 'foot work' Darren J. REED

											Melanie FLEISCH HACKER	
Technology as human, human as technology: What difference does it make when people mobilize human or technical assistance? Maija HIRVONEN, Dorothée SCHULZ-BUDICK	Building common ground on the fractured nature of virtual spaces: Learning how to use a shared screen in immersive virtual reality Laura KOHONEN-AHO, Pentti HADDINGTON, Tiina EILITTÄ	First Position Noticings Ascribed as Directives: An Interplay of Deontic Stance in L2 English-Medium University Classrooms Sema Betul DEMIREZEN, Pınar TURAN	Addressing the chief justice. Ritual and change in practices at the U.S. American Supreme Court Elisabeth REBER	Hebrew ki 'because'-clauses on the subordinate – insubordinate continuum Yael MASCHLER, Anna INBAR	Projecting Treatment Preferences: Patients' Interactional Practices in the Initial Stage of Chronic Wound Consultations in China Qian SHEN, Shuangyu YAO	The Gun Handshake Palm-Up: A Pragmatic Adaptation of a Universal Gesture Emily SHAW, Alysson LEPEUT	Sequence Scaffolding, Pursuits, & Initiation Asymmetry in Early Language Development Jack TERWILLIGER, Federico ROSSANO	Managing Patient Resistance to a Smoking Reduction Intervention: Pushing Back to Move Forward Xinxin YANG, Charlotte ALBURY, Rachna BEGH, Nicola LINDSON, Ethan KNIGHT, Jack JOYCE	Competing accountability frameworks: Different rubrics for moralizing in games Emily HOFSTETER, Jessica ROBLES	"Everyone faces stress, but..." Negotiating the relevance of interventions for workplace problems Elna WEISTE, Melisa STEVANOVIC, Inka KOSKELA	Orienting to musical segments as "highlights" in Hip-Hop Cypher Circles Gregory ANG	
"It does not want to" - People living with dementia accounting for unexpected and absent responses in tablet computers Elias INGEBRAND, Christina SAMUELSSON	Becoming Instructed: The Interactional History of a Preschool Directive Keisuke KASUYA	Multimodal Affirmation: How Gestures and Learning Materials Support Positive Feedback in L2 Writing Conferences Ruonan ZHAO	Responding to Possible but Subtle Racism by Showing Indifference Ryo OKAZAWA	Changing positions in story and body: Utterance-final omoi-nagara 'while thinking' in Japanese conversation Hikaru HOTTA, Tomoko ENDO	Interaction Between Persons with Dementia and Caregivers' Through Onomatopoeia and Interjections Hiromichi HOSOMA, Yuko YAGI	Laughter in unauthorised turns in Finnish, French and German parliamentary transcripts Johanna ISOSÄVI, Heike BALDAUF -QUILLIATRE,	Tag Questions as Interactional Resources in Mealtime Decontextualised Talks in Early Childhood Education and Care Settings Wei YAO, Amelia CHURCH, Penny LEVICKIS,	The Role of Companions in Advancing Preventative Healthcare via Topicalisations of Health Concerns in Primary Care Consultations for Patients	Recurring incidents in board game interactions: Moments to study processes of change on a micro-scale Mojenn SCHUBERT, Laurenz KORNFELDT	Technical drawings as knowledgeable objects in construction work Niina LILJA	Rhythm as a substrate for Co-operative action: Autistic individuals improvising together Rachel CHEN	

							Christophe GAGNE, Eero VOUTILAINEN	Sarah YOUNG	with Learning Disabilities Joseph WEBB			
	Rude awakenings : How users design wake words when virtual assistants fail Magnus HAMANN, Lauren HALL, Saul ALBERT			Debating (de)colonisation: Categories and ideologies in New Zealand select committee hearings Emma TENNENT, Elle HENDERSON		Rethinking Communication in Autism: Insights from Interaction in Mandarin Therapy Sessions Xiaoxin MA, Wen MA	From word searches to meaning negotiation : intersubjective sensemaking in Swedish L1 and L2 conversations on visual art Sanna HEITTOLA, Sara RÖNNQVIST			Rules of the game and rules of the gaming encounter: a study of players' situated interactional practice Thomas Franco PINTO, Isabel COLÓN DE CARVAJA	Modes and media in workplace interaction Esa LEHTINEN	
3:30 -4:00	Break											
Room	CCIS 1-440	CCIS 1-430	CCIS 1-140	CCIS 1-160	CCIS L1-140	CCIS L1-160	BSB -121	BS M-141	BS M-137	BS M-145	BS M-149	CCIS L2-190
Panel/ Theme session	PANEL: 'Mobilizing' technology (OLOFF/KÜTTNER/REINEKE), cont.	PANEL: Task performance and sequential structure – the orders of practical activities and interactional organization	PANEL: Unpacking (dis-)alignment: The multimodal organization of acceptance, resistance and rejection	THEME SESSION: Questions and answers (Chair: ROBINSON)	PANEL: Action formation at the grammar-body interface (PEKAREK /MASCHLER/J. LINDSTRÖM)	PANEL: The often-neglected side of the story: the role of children's competences at school (MARGUT)	THEME SESSION: Sign language interaction (Chair: ARNOLD)	THEME SESSION: L2 Classroom interaction (Chair: CHUN)	THEME SESSION: Psychotherapy and consultations (Chair: MIKESELL)	PANEL: Exploring board game interactions as part of every-day life (KORNFELD/BETZ) cont.	PANEL: Unsettling the study of race in institutional settings (TADIC/SRIKANT/WILLIAMS ON)	THEME SESSION: Turn construction and turn organization (Chair: GRAF)

		(SCHMIDT/ DEPPERMA NN)	(SVENNEVI G/PEKAREK DOEHLER/ HAZEL)		M), cont.	TI/GOSE N/VERON ESI)						
4:00 -6:30	When voice assistants become a socio-relational 'tool': Addressing Alexa as a resource for managing interactionally 'delicate' situations Uwe-Alexander KÜTTNER, Silke REINEKE	Delayed and remote responses to instructions: how task-based orders affect the timing of next actions Axel SCHMIDT, Arnulf DEPPERMANN	The multimodal construction of rejections to unsolicited offers Kristian MORTENSEN, Spencer HAZEL	Questioner Freeze-Look after Answer: Embodying Possible Trouble via the Organization of Turn-Taking and Repair Jeffrey ROBINSON	Holding the floor, sharing the turn: Multimodal management of multi-unit turns in autistic-neurotypical interaction Mari WIKLUND, Ritva LAURY, Marja-Liisa HELASVUO	How do children help one another? Practices of recruitment and assistance in classroom peer interaction Daniela VERONESI, Monica SIMONE	Accessing Actions Through the use of Haptics Magnhild Rød MICHALSEN	Recruitment to support or challenge in the institutional context: A case of CFL teacher education Hsin-Tsun JEN, Jiaxin TIAN, Haidan WANG	Patients' initiatory actions in psychotherapy Alexis IBARRA	Displaying decision-making and negotiating rules: The use of the discourse marker komm ('come on') in game-playing interactions Nadine PROSKE	Analyzing race talk in institutional settings: Methodological diversity, tensions, and possibilities Natasha SHRIKANT, Francesca WILLIAMSON	Prefaced wh-questions for solution generation in coaching: A conversation analysis of the functional diversity of pre-turn work Melanie FLEISCH HACKER, Eva-Maria GRAF, Sanna VEHVILÄINEN
	Multisensoriality and multimodality in smart homes: Practices of domesticating sensor-based technologies Tim HECTOR	Step-by-step and turn-by-turn: The dual organization of instructive corrections of manual tasks Oskar LINDWALL, Michael SMITH,	On the multimodal design of dispreferred responses in ordinary conversation Simona PEKAREK DOEHLER	The Role of Structure in Shaping Listener Behavior during Extended Answers to Questions Amanda MORRIS	Parenthetical sequences in Russian: Multimodal actions in clause-combining contexts Nikolay KOROTAEV	How children design their answers to align with teacher questions Piera MARGUTTI, Vittoria COLLA, Alessia	"See what I mean?" Depictive semiotics as a resource for candidate understandings in Norwegian Sign Language interaction	Expanding the Participation Framework in KFL Classrooms: Teachers' Post-Response Work and Student Engagement Hee Chung	Naming the problem: Second story telling in a group therapy session for recovering drug addicts Yasusuke MINAMI,	Halting progressivity in game-play interaction: the case of moment 'just a moment' in German Emma BETZ, Carmen TALEGHA	Explaining racial discrimination in the second language classroom Nadja TADIC	Detouring in the talk for the purpose of the here-and-now: The contingent nature of the horainserted TCU in everyday Japanese

		Gustav LYMER				DAVOLIO	s Brittany ARNOLD, Benjamin ANIBLE	CHUN	Mitsuhiro OKADA, Daigoro EBITA, Masafumi SUNAGA, Yuki KAWAMU RA	NI- NIKAZM, Veronika DRAKE, Andrea GOLATO		conversati on Hideyuki SUGIURA
How the robot-recipient design of keyword formatting is influenced by text resources on the robot's tablet Heike BALDAUF-QUILLIATRE, Lucien TISSERAND	Competing sequential engagements and temporal complexities: the order of the service and the order of talk Lorenza MONDADA	Embodying (dis-)alignment during prolonged silence in psychotherapy Anja STUKENBROCK	"Would you describe yourself as a train engine or a railway car?": Type-conforming answers to alternative questions in job interviews Minna FRANCK	Directing Attention to Exhibits in Guided Science Museum Tours: The Use of Wh-Cleft Constructions in Japanese and Bodily Movements Yui SAKAO	Childrens' contributions to parent-teacher conferences: interactional competence outside of the classroom Myrte GOSEN			Role-taking and depiction in drama-based L2 teaching and learning Stefan NORRTHON, Klara Skogmyr MARIAN, Maria RYDELL	Identifying with extreme experiences in group therapy Jenny PAANANE N, Karita SUOMALAINEN, Linda SIRKIÄ, Marja ETELÄMÄKI	When 'shit happens': Game-playing interactions as a window into swearing in interaction Pepe DROSTE, Carolina FENNER	'They don't sound smart over there': Accent bias and covert racialisation in emergency calls Niru PERERA, Marine RIOU	Accounting for longer gaps between TCUs in multi-party conversations: A comparison of Australian English and Garwath turn construction Ilana MUSHIN, Rod GARDNER
Mobilising delivery robots: Coordinating goods dispatch via an autonomous system Stuart REEVES, Hannah PELIKAN, Marina	Architecture and the imagination: instructions and sequentiality in joint building activities Antje WILTON	The multimodal organization of resistant actions in police interviews Pavel URBANIK			Turn-taking as interactional competence in multi-party classroom interaction Sofie VANDER MEIJ, Myrte GOSEN,				Making evidence-based decisions while practicing shared decision-making: The case of ADHD medication titration in pediatric	Beyond obligation: Uses of müssen 'must' in game-playing interactions Sophia FIEDLER	From talent attraction to talent waste: The racialization of the Nordic European labor market Samira IBNELKAI	Remedying the indexicality in instructions: Turn segmentation and two syntactic formats Ayami JOH, Satomi

	CANTARUT TI					Jana DECLER CQ, Mike HUISKES			psychiatry consults Lisa MIKESELL , Aleksandr SHIROKO V		D	KUROSHI MA, Minato SUZUKI
	People misinterpreti ng robots' behaviour in urban spaces: 'Cracks' in the interaction order Shan Shan LI, Christian GREIFFEN HAGEN, Daniel MBUTHIA	Corrective instructions facilitating routinization of a sequenced practice – prompting a missed action in UN Military Observer car-patrolling training Antti KAMUNEN				"I haven't understood anything" – Children's claims of lack of understan ding as a means to recruit teachers' assistance Daniele URLOTTI				You can certainly try: A 'members' method' in TTRPGs Susanne REINHAR DT		

International Conference on Conversation Analysis 2026 – Program

June 27, 2026 Saturday

9:00-10:00 Keynote Lecture by Arnulf Depperman (CCIS 1-430)

	1	2	3	4	5	6	7	8	9	10	11	12
Room	CCIS 1-440	CCIS 1-430	CCIS 1-140	CCIS 1-160	CCIS L1-140	CCIS L1-160	BSB -121	BS M-141	BS M-137	BS M-145	BS M-149	CCIS L2-190
Panel/ Theme session	PANEL: Managing and transforming conflict in interaction (VAN BURGSTEDEN/TE MOLDER/ GLENN)	PANEL: Uncooperativeness in interactions with second language speakers (GUBINA/S CHIRM)	PANEL: Minimal resources in interaction: Diversity in language and action (DE STEFANI/ OLOFF/OS TERMANN)	PANEL: Distributed agency in social interaction (HARJUNPÄÄ/DUE)	PANEL: Interacting in complex ecologies: bodies, materialities and asymmetric sensorial accesses (MONDADA)	PANEL: The mutual consequentiality of physician-patient communication practices (STIVERS)		THEME SESSION: Teaching and learning in interaction I (Chair: LAI)	PANEL: Epistemic injustice in social interaction (ARMINEN)	PANEL: Calibration and diversity of recipient design in institutional child–adult talk (CEKAITE/ ANATOLI/ WIRZÉN)	THEME SESSION: Summons and responses (Chair: GARDNER)	PANEL: Social interactions where death is relevant: Across settings and around the world (PECANAC/PINO)
10:30 -12:30	What is dialogue from a participants' perspective ? Weaponizing doubt versus raising 'genuine' questions Hedwig TE MOLDER, Lotte VAN BURGSTEDEN, Phillip GLENN	Responding to learners' challenges in language learning encounters Alexandra GUBINA, Taiane MALABARBA	Creaky Voice in the English Response Token 'aw' Richard OGDEN	Distributing perception with (artificial) guides Damien RUDAZ, Brian L. DUE	Matters of safety. The interactional accomplishment of approaching a street as a preschool Mathias BROTH, Jakob CROMDAL, Annerose WILLEMSEN	Eliciting patients' description about acute chest pain in the emergency department: A conversational analysis of physicians' opening questions Anne Marie Dalby LANDMARK, Rein		The situated work of time management in the classroom: How the teacher and students account for time constraints in class activities Yeji RIESER	Delicate Resistance : Embodied Contestations of Epistemic Injustice Rosina MARQUEZ REITER, Michael HAUGH	Recipient design from a longitudinal perspective : conflict management, epistemics and moral accountability in adult-child interactions Asta CEKAITE	"Non-canonical" summonses in face-to-face conversation Rod GARDNER, Joe BLYTHE, Lesley STIRLING, Ilana MUSHIN	Preference in talking about symptoms in the presence of the patient, in palliative care: Switching from third to second-person reference Anca-Cristina STERIE, Fanny BOVEY, Zaria GOSSIN

						Ove SIKVELAN, Markus REUBER, Eirik Hugaas OFSTAD						
'Papa, believe me': Managing relational and political affiliations in talking about the Russia-Ukraine war Galina BOLDEN, Jan RYDZAK	Learning to disagree? A longitudinal and multimodal study of disagreement practices in L2 French Klara SKOGMYR MARIAN	"Yow" in Everyday Hebrew Conversation: A marker of remarkability, appreciation, and engagement Nadav MATALON, Michal MARMORSTEIN	Distributing agency across participants and modalities in embodied action Leelo KEEVALIK, Agnes LÖFGREN, Emily HOFSTETTER	The coordination of courses of action in firefighter trainings Sofian BOUAOUNA	"What do you think would help?": Patient view elicitors and institutional constraints in Emergency Department psychosocial assessments following self-harm and/or suicidality Mimi SUZUKI		Negotiating chatbot's agency in collaborative writing in upper secondary school classroom Pilvi HEINONE, Riitta JUVONEN	Exclusion and epistemic injustice in hybrid learning situations lira RAUTIAINEN, Tuire OITTINEN	"Can you tell me...?": Recipient design in social work child protection interviews with immigrant children of different ages and language proficiency Madeleine WIRZÉN	Playful-First Response: a resource for handling alternate hearings of a question Matthew BUTLER, Liz HOLT	The organisation of discussions about preferences for end-of-life care: Evidence from UK palliative care interactions Marco PINO, Daniella RAFAELY	
Transforming online hostility in Conversations with people who hate me: Practices that incorporate explicit/implicit actions Phillip	When collaborative imagining is uncooperative: Observable moments of resistance and disengagement in L2 task-based	Stance Taking and Repair: Spanish "bah" as a Minimal Resource in conversation Oliver EHMER	Virtual footing: distributed agency in talk with and around voice interfaces Lauren HALL, Elizabeth	Addressing visible touch: The micro-coordination of instructions in sight-guided paraclimbing Monica SIMONE	Managing authority and uncertainty: Diagnostic delivery practices in Chinese hypertension medical consultations		Envisioning Knowledge in Classroom Interaction: Co-Constructing Epistemic Objects in Tablet-Supported	Contesting epistemic formulations in complaints Jessica ROBLES	Teacher and child recipient designed supports for storytelling: four-year-old twin co-tellings Amanda BATEMAN	Multimodal "response packages" in response to polar questions in Mandarin Chinese: The case of Bushi ("no")	When Curative Hope Fades: Recommendation not to begin aggressive treatments in online oncological	

	GLENN, Anita POMERANTZ	interactions Silvia KUNITZ, Erica SANDLUND		PEEL, Saul ALBERT		Nan Christine WANG, Jiayi WENG, Feiran YANG, Xiaowei ZHOU		Group Work Matthias HERRLE, Matthias PROSKE, Aline PUZICHA			prefaced turns Jia LI	consultations Blair Ying JIN
	Headroom and Reset: Managing escalation in family conflict Jonathan POTTER, Alexa HEPBURN	Doing being the expert: Other- correction, competence, and the cooperativeness of language learning in interactions between L2 speakers Sam SCHIRM, Sophia FIEDLER	Maximizing the Minimal: Affiliating with elaborated "eh"/"é"- responses in Italian and Brazilian Portuguese Elwys DE STEFANI, Ana Cristina OSTERMAN	Distributed Agency in Translation Teams Raphael SANNHOLM, Maija HIRVONEN	'Can I ask a question under the rain?' Considering the atmospheric ecology of social interaction Alejandra BORRERO, Elisa METZ, Lorenza MONDADA	Physician reassurance for medical concerns in primary care visits Anne E. C. WHITE, Clara A. BERGEN, Caroline K. TIETBOHL		Whiteboards as dialogic spaces: Co- operative meaning- making in undergraduate Physics classrooms Yi-Ju LAI	Epistemics and epistemic injustice in interaction, the case of oval office press conference between Trump, Zelensky and Vance Ilkka ARMINEN	Diversities in interaction: projecting child's atypicality through recipient design Olga ANATOLI, Michael SMITH	On the Interactional Functions of Turn- initial dangran in Responses to Questions in Chinese TV Mediation Shows Baoguo ZHANG	Palliative care communication between patients with intellectual disabilities and hospice staff: a Conversation Analysis pilot study Andrea BRUUN

12:30-1:30 Lunch hour: Meet the Professor
